

# Kelly Boe Memorial Bike Ride

**Tuesday, May 17<sup>th</sup>, 4 PM**  
**Middlebury Union High School**

**Join us in a slow-paced bike ride in honor of those who have been injured or killed while cycling on public roads, including Kelly Boe in 2015.**

Raise awareness that we all share the road. Those who wish may ride in silence in memory of those killed. Assemble at the MUHS entrance by 3:30 pm. Helmet and waiver of liability signature required. Police and cyclist escorts will guide us on a short loop (about 8 miles) departing MUHS through downtown, out Weybridge Rd to Hamilton Rd and back to town and MUHS by 5 pm. We'll ride if there is gentle rain, but cancel if it's heavy rain, thunder or lightning. Donations toward improved bike parking and road safety can be made by check payable to Town of Middlebury with "Middlebury Safe Routes" written on the memo line. Donations to the Kelly Boe Scholarship can be made by check payable to the "Kelly Boe Memorial Scholarship Fund".

**Hosted by Middlebury Safe Routes** with support from ACSD/MUHS, Walk/Bike Council of Addison County, Frog Hollow Bikes, Middlebury Police, AC County Sheriff, and especially Kathy Boe.
